**First Holy Communion:** This weekend and next we celebrate the First Holy Communion of those children who have been preparing for this sacrament. **I congratulate all these children.**

Dear children, the celebration of Holy Communion I am sure will bring you great joy because through this sacrament you become very close to Jesus. When Jesus comes to you in the form of consecrated bread, tell him you love him and thank him for coming to you. You will get lots of gifts on this occasion, but the most important gift is receiving Jesus in Holy Communion. Therefore, after you receive Holy Communion, talk to Jesus, thank Him for coming to you and how much you love Him. With Jesus so close to you, talk to Him about those for whom you pray, your parents, family members and friends. I pray that today you will begin a new and deeper friendship with Jesus.

Dear Parents, your children are taking a new step in their faith and it is through you more than anyone else they have come to know God. It is on you they will depend for many years, to help them grow close to God in their lives. Unless the children sense their parents' faith, they will not absorb faith. The faith you hand on will be their strength throughout life. The choice you have is to hand on the faith badly or well. It is not something they need only when there is a crisis, but as food for their journey. Fr Saju.
